

# Travel with *Intent*

When asked why we're passionate about travel, our answer is easy: Because travel is a catalyst for connection. Given today's increasingly fast-paced digital world, the need for authentic connection may be at an all-time high. When we travel and experience new destinations and cultures, we are inevitably changed. Perspectives shift; stereotypes fade. Compassion and curiosity is piqued.

And, perhaps of top note, travel is fun! We all have an adventurous side—whether it's defined by outdoor pursuits in remote locales, or foodie and cultural immersions in urban hot spots. Within these pages we celebrate our shared desire for new experiences. We'll take you from Antarctica to Austin, and from Thailand to the Taj Mahal.

Lastly, we're often asked what the top benefit is of working with a travel advisor. And that answer, too, is simple: access. We are proud to share our expert knowledge about where to go, when to go, and *why* go. We are meticulous about researching the next "it" locations yet are also uncovering new reasons to return to favorite locales. We aim to deliver every whim on your travel wish list while also ensuring peace of mind. We think outside the box so your travel blueprint is constantly fine-tuned and your fun meter is maxed.
