

A photograph of a narrow, light-colored gravel path winding through a dense forest. The path is bordered by tall, dry, golden-brown grasses on both sides. On the right side, there's a low wall made of horizontal bamboo poles. The background is filled with thousands of green bamboo stalks of varying heights. A few bright green trees with delicate leaves are scattered among the bamboo. In the distance, a small figure of a person wearing a dark jacket and light pants walks away from the camera, appearing very small against the vast landscape.
